ABOUT US

M.S. Al-Qahtani & Partners Company (MSQP) was established in the Year 1973, as a Trading and Contracting Company with a modest beginning to cater to the increasing needs of Heating Ventilation & Air Conditioning (HVAC) Installations by Medium & Small Scale organizations in the Kingdom of Saudi Arabia. MSQP is a fully Saudi owned Company registered under Ministry of Trade & Commerce Registration No. 2050002907.

In a short span of inception, MSQP was able to establish itself as a major HVAC System Contractor in KSA to fabricate Ducting & Accessories and install, test, commission and maintain HVAC Systems. MSQP is fully equipped with a wide range of semi-automatic and manual equipment and machine.

The latest acquisition is the FIRMAC MDF machine Line designed to operate in three (3) separate stages which can produce an average of 3000 square meter per day, giving the same quality giving the same quality integral flange ductwork, Swift Cut 3000 Pro Series Plasma. Including test facilities to comply with International Standards such as SMACNA, ASHRAE, UL, NFPA apart from Clients standards & specifications.

The salient features of MSQP expertise are Annunciation, Monitoring, & Control of critical parameters of HVAC Systems , consisting of Package Units, such as Temperature, Pressure, Humidity & Safety Gadgets to detect Gas, Smoke, Fire, Dust, Water etc; All installations at site are subject to inspection & test as Fan functioning, Fan air flow, Air Balancing & other Electrical parameters.

Stringent Quality control by qualified & experienced QA/QC Team as per relevant standards such as NEBB and compliance to ISO 9001:2008 QMS requirements clients such as ARAMCO Royal Assurance functions. The major projects executed for prestigious clients such as ARAMCO, Royal Commission, Saudi Electricity Company etc. to their satisfaction, stand testimony to MSQP's to take up and successfully execute such projects.
